

HEADSET OPERATOR (S6)

2017/F/CHQ/HRD/0061/RS

JOB PURPOSE & SPECIFIC RESPONSIBILITIES

- To report to the shift Duty manager in shifts and follow the allocation as per shift DM or Ramp officer.
- Follow the SOP while receiving the aircraft arrival/departure flight by establishing communication (with head set or using manual signals) using standard phraseology/signs between the ground and cockpit crew.
- To co-ordinate with ground engineer/Ramp officer/cockpit crew for any technical equipment service required i.e GPU/ASU/ACU prior or on arrival.
- To give the clearance to the ramp team to position the chocks, the PBB or passenger step, upon ensuring the area is safe to enter i.e once the Engines are cut-off and Anti-collision lights are off.
- To liaison with captain for any other ground requirements.
- To coordinate with Ramp officer/ground engineer/crew for Engine start up on the bay for the aircrafts with APU unserviceable or technical flights.
- Ensure to insert the steering bypass pin in coordination with the ground engineer /AME on the nose gear prior to the connection of the tow bar to the aircraft.
- To give clearance to remove chocks and push/tow the aircraft, upon ensuring the release of Parking brakes from the Captain.
- Ensure ground clearance for safety or no vehicular/flights movement behind the aircraft on ground prior to start push back and coordinate with Push back operator.
- To ensure the Captain is informed immediately in case of disconnection of a tow tractor and the aircraft in order to ensure a gentle break application to stop the aircraft.
- To provide any other Technical assistance and other support as required by the Superiors.
- To guide/communicate (with manual signals) the push back operator as per the instructions received from the cockpit crew to push the aircraft on to the correct taxi lane (L1, L2 or L3).

- Report any incidents or safety hazard observed while on duty to the Ramp officer or shift DM without fail.
- To perform any other related duty for which he is qualified and detailed to do so by his superiors.
