SCOPE OF WORK

To identify the probable vendor, scope of work has been made more flexible and divided into parts i.e Creativity & Sampling and Supply & Execution. Bidder to mandatorily submit bid for creativity & sampling part comprising of GSE's Recce, Simulation exercise with paint & new Logo/monogram, providing handbook and sampling on two equipment. However, bidder under his discretion can also quote for the full scope mentioning per sq ft rates of painting and branding with two options i.e Vinyl based branding and PU paint stencil-based branding.

Creativity

1. Conducting a comprehensive reconnaissance (**recce**) of the Ground Support Equipment's (GSE's) fleet to **assess dimensions, surfaces and compatibility for painting & branding purpose**. The bidder may on his discretion may choose to conduct recce at any of the one location among **Delhi & Bangalore**. Secondly, bidder also have an option to carry out recce at all locations to assess the complete requirement.
2. Customising and iteration of the AISATS Colour Scheme painting with **AISATS logo and monogram (Stencil/Vinyl based)** to suit the dimensions and surfaces of each GSE type, ensuring optimal visibility and aesthetic appeal.
3. The bidder must identify the paint required (PU paint/alternate paint) for each type of equipment, number of AISATS logo/monogram required in each type of GSE (factoring the dimension and aesthetics of the equipment's). **The price bid for painting of GSEs, printing and logo supply/PU stencil-based logo is to be submitted based on the bidder submission on qty of logo and monogram for each type of GSE's.**
4. The bidder shall make use of the existing pictures of the GSE's or can take pictures on their own by visiting our facilities and then prepare layout designs on each type of GSE to submit **mock-ups /presentation**.
5. Provide a comprehensive **handbook with painting simulation and logo adaptation** considering size and dimensions for each GSE type.
6. Ensuring the **adapted paint, logo design complies with AISATS brand guidelines** in terms of size, colour, and clarity.

Sampling

7. The bidder shall do practical sampling on two types of GSE's (**Tarmac coach and Pax Step Ladder**) at Delhi location. This includes supply, painting and installation of required stencil/vinyl on the equipment. Based on the sampling, decision will be taken for finalising the stencil-based logo/vinyl-based logo.
